Reports & Announcements

Pat sent a message to Tara, and Jim Steele chair of library board and mentioned the mural being put on the wall facing town hall. Jim said "love it" and Tara said she'd rather it be on the back wall of the library.

Old Business

Vote on a mural design

1. Two cranes
2. Country market landscape with plants
3. Pushcart with flowers
4. Abstract hearts coming from hands

Winner was allowing council to choose maybe some combination of abstract hearts or books with hearts coming out and cranes maybe.

Pickleball- Jim Steele would like to have 3 pickleball courts. Resurface the basketball court and add another or two more concrete pads. Need to have it fenced. Could then potentially use these for pickleball tournaments which could be a source of revenue for the town.

New Business

Pat read her proposed board report and we added some ideas for more specific information about the mural option ideas.

Christmas events- went over the flyer so we can all see what we can help with.

No December meeting unless something new comes up.

Parks Newsletter- Pat read her online newsletter which would include town events, information, library events, Howey Market news, town hall news, anything like that. Can this be a short, one-page newsletter to be distributed in multiple formats—some people are only paper, some people only check social media, post a bulletin somewhere, etc.

7:59pm electronic sign was brought up at the meeting. Latest time in recent memory. We are still waiting to revise the ordinance that prohibits it. Print out a copy of the ordinance that deals with the sign. Let's all redline the ordinance and send our proposed revisions to Council.
